

地跡 CHISEKI

-Traces of Nature-

Sunday March 7- Sunday March 14, 2010

Opening Reception: Sunday March 7th, 2010 8pm - 2am

Live Performance: 10:30pm - 11:30pm

Stepping into a silent desolate field
Dressed in blessings from mother earth

The spirit of nature sketched
Footprints on a parched ground
Swirls in dance rustling the petals of
Dying flowers and leaves of trees

Reaching out to a pale moon
The spirit's warm kiss embraces all existence
On the planet reviving a sun's essence

History is nothing more than human evolution
Traced in decomposition and rejuvenation
Cultivated along winding paths where
Spirit empowers even the heartbeat of the earth
Repainting the drone of monotonous undertone
Into vibrant harmonies unfamiliar yet known

Chi (地-earth) *Seki* (跡-trace)
In celebration makes a
Tangible incarnation of earthy ensemble
Like stars strung by lightening that chime and hum
In delicate breeze pleasantry

Join us as we immortalize life through
Performance, art/installation and sound
Rooted in the movement of nature
Creating space for the
Blossoming spring within
